State Swim Monthly Payment System

We require payment of your fees when you arrive at the swim school for your first lesson in the first 7 days of the month.

If you do not attend your lesson in the first 7 days of the month, your fees must be paid by any of our flexible payment options, within the first 7 days of the month, to secure your booking for that month.

If we do not receive payment of your fees in the first 7 days of the month, we will assume that you are not swimming that month and will remove your booking.

If you do forget to pay your fees within the first 7 days of the month, we will endeavour to arrange a new booking for your swimmer/s as soon as possible but cannot guarantee the same day, time or instructor.

You are required to pay for the whole month or pro rata if commencing as a new customer (a swimmer who has not attended in the previous month) part way through the month.

Missed lessons can be made up within 3 months. **You must be financial for the month in which you wish to use make up lessons.**

The cost of a lesson missed cannot be deducted from the next months fees.

We would appreciate a phone call to the swim school if you are unable to attend your lesson.

To receive our family monthly discount (3 or more swimmers) the entire payment must be made within the first 7 days of the month in one payment.

Family Discounts

If three or more members of one family attend swimming lessons, discounts apply.

Please see Reception for further details.

State Swim accept EFTPOS, credit card, cash or cheques as payment. You can pay over the phone by credit card, use EFT (please see reception for the required information) or utilise our Direct Debit facility.

If you would like any further information regarding our fees and 'make-up' policy please speak to one of our Customer Service Officers.

The school is closed on all public holidays
